

Maple Ridge Teachers' Association **Memorandum**

Spring 2020

Dear Teachers,

As you have probably heard by now, in-school classes are suspended for the foreseeable future. We don't know what learning will look like after spring break is scheduled to end, but we are aware that teachers want to know as soon as possible.

The BCTF has said that teachers will return to work after the break. They are working on finding solutions at the provincial level. Kaitlin, Trevor, and I are working on plans at the district level, which we hope to be able to share soon.

We will send information out via email, as well as post it on our MRTA website.

For now, we want you to rest assured that we are doing everything possible to find the answers you are looking for, and we encourage everyone to do their best to enjoy your spring break.

We will get through this together!

On behalf of the MRTA office,

Penny Morgan, Acting President
